## LITERACY LIFE

---

When you are at home there are few ways to increase your reading ability by following these few steps below:

---

- ☐ Find books that interest you that comes with a CD or audio tape that you can follow along as the book is read aloud.
- ☐ Buy flash cards with words and pictures to assist you in building your vocabulary. You may the name of an object now you can associate the word with the picture.
- ☐ Listen to songs with the written lyrics so that you can follow along, this will allow you to learn new words and phrases associated with emotions.
- ☐ If you look at soap operas and follow along by looking at their reaction and actions to what is happening and being said is another way to assist in learning new words as well.
- ☐ The street signs and crossing and signals are great ways to also learn the spelling of words you hear and use daily.
- ☐ Try following a recipe with a family member while cooking that will also enable you to associate different words used for cooking and measuring.
